

Bienvenue à Agadir!

مرحبًا بكم في أكادير !

ⵜⴰⵎⴰⵔⴰⵏⵜ ⵏ ⵓⵙⴰⵎⴰⵏ ⵏ ⵓⵙⴰⵎⴰⵏ ⵏ ⵓⵙⴰⵎⴰⵏ !

Welcome to Agadir!

PAGES' Open Science Meeting and Young Scientists Meeting provide an invaluable opportunity to bring the international past global change community together to share, discuss, learn, and plan for the future.

Be a part of it!

Morocco is an emerging hub for paleoscience. We look forward to hosting you in Agadir, located on the shore of the Atlantic Ocean and at the foot of the Atlas Mountains, for unique, memorable and inclusive meetings. - Local Organizing Committee

Testimonials from the 2017 meetings

I learned a great deal about the research frontier of paleoclimate. I have also made quite a few friends and collaborators. - RF

Thanks to the funding support I've been able to join the PAGES meeting, present my talk and start collaborations. - BL
